

ATTENTION RHCC SUPPORTERS!

With RHCC's upcoming hearings before the City of Rolling Hills Estates Planning Commission and City Council it is important that our membership and the surrounding community demonstrate support for the club and for its future plans. We encourage all supporters to write at least one email or letter to either the local press or City Council that demonstrates your personal support for the Club's Expansion and Community Enhancement Plan. Your message should be in your own words and reflect your own experience, but here are some key points you may wish to communicate:

- RHCC's long-standing commitment to the community: Supporting 100 local jobs; and its ongoing donation of club facilities to schools, police, fire services, hospitals and clergy.
- Support for the Expansion and Community Enhancement Plan's transforming the Chandler Sand and Gravel Facility from environmental blight to pleasing green space.
- Support for Plan's providing millions of dollars in fees, needed infrastructure and property tax base to the City of Rolling Hills Estates.
- Support for the Plan's Arnold Palmer Signature Golf Course, making Rolling Hills Estates one of the most prestigious places in Southern California.
- Support for the Plan's water-quality benefits, including filtering water from 470 acres south of the project.

Be concise and direct in your support of the Club. Every little bit helps. And we thank you in advance for your consideration
